

Text messages between Jen Harriger, NBC5, and Charity Clark, Chief of Staff, Attorney General's Office:

JH: Hey Charity! It's Jen over at NBC5. I wanted to follow up and see if there was ever a complaint out in about the dog adoption group "Student Rescue Project" or "Surfin Sato." A woman named Danielle Robinson says she contacted you guys. We are just trying to confirm that. Thank you and I hope you are doing well!

CC: I'm in a meeting but can check when I'm out!

JH: Awesome! You are the best.
